WILDFIRE PREPAREDNESS SEMINAR

LIVING WITH FIRE

In Mill Valley, CA

FIREWISE USA™
RESIDENTS REDUCING WILDFIRE RISKS

Join us for a **FREE 2-hour seminar on wildfire preparedness for Marin residents.**

As Marin residents, we all share responsibility to be prepared for wildfires. Wildfires are a natural part of our environment, and it's imperative that we build our homes, maintain our landscapes, and prepare our families for the next major fire.

Learn about your community's hazard and what you can do about it from the wildfire experts at Marin County Fire Department, and FIRE Safe MARIN.

- Are you and your family prepared to safely evacuate when a wildfire strikes?
- Is your home vulnerable to igniting from wildfire embers?
- Does your home have adequate Defensible Space?
- Are you interested in working with neighbors and land managers to reduce fire risk in your community?

This workshop is intended primarily for residents, homeowners, and regular visitors to Marin County, CA. Registration online at www.firesafemarin.org/events is encouraged, but not required.

Tuesday, May 21 2019 from 7:00 PM – 9:00 PM, Marin County Fire Department will host this seminar, consisting of a 90-minute presentation and 30 minutes of questions and answers. Additional seminars will be held across Marin in 2019 (see www.firesafemarin.org/events for details). Each "Living With Fire" session will focus on issues facing the community hosting the event.
